CREWSITE FOR CREWING COMPANIES

Ready-made website for a crewing agency

Vacancies, an online Application Form for seafarers and an admin panel your office uses from day one — in English, Russian and Georgian.

$300
one-time · turnkey on your own domain

What to send for the launch

- [ ] Logo (SVG or PNG with transparent background) and brand colours, if you have them
- [ ] Company name, legal name and registration number
- [ ] Crewing licence and certificates you want to show (scans, numbers only if you agree)
- [ ] Contacts: phone, email, address, WhatsApp/Telegram, social pages
- [ ] A short text about the company and the list of services
- [ ] First vacancies: rank, vessel, contract, joining date, salary if shown
- [ ] Domain: the one you have (and access) or the one you want
- [ ] Who in the office gets admin access, and the email for new applications

How it goes

1. Short meeting
Your vessels, ranks, languages and what is wrong with the current site.

2. You send materials
Logo, texts, contacts, licence, first vacancies — see the checklist.

3. Test address
The site on a temporary address: you check it from your phone, we fix.

4. Launch
Your domain, admin accounts for your staff and a short training.
